

# FX RANGE

## THE RANGE FOR EXPERTS

WOODSCREW • CONCRETE SCREW • DRYWALL SCREW • WALL PLUG

### 1 MULTIPURPOSE WOODSCREW

- Double countersunk for deeper recess and head strength
- 40° single thread for high pull-out retention
- Threaded to point for quick start on insertion
- Available in two finishes, Zinc Plated CR3+ and Zinc Yellow CR3+
- Ideal for most wood types, plastic and sheet steel (up to 0.8mm)
- CE approved

### 2 TWIN-FAST WOODSCREW

- Double countersunk for deeper recess and head strength
- 40° twin thread for high pull-out retention
- Threaded to point for quick start on insertion
- Through hardened for improved ductility
- Ideal for all wood types
- CE approved

### 3 CONCRETE SCREW

- Countersunk torx head enables easy driving
- Self tapping thread with Zinc Plated CR3 finish
- Removable and easy to adjust saving time and hassle
- Ideal fix in most types of concrete, brick and stone
- Torx bit and cover cap included

### THE FX RANGE IS SIMPLE IN ITS DESIGN AND SECURE IN ITS PERFORMANCE.

The FX range is designed to cut through the confusing world of screws, bringing together 4 screws essential for any job a professional tradesperson will ever need, and partnering them with a cost effective all purpose plastic wall plug.

The range is produced and packaged to a very high standard, with levels of performance often exceeding that of more expensive alternatives.

### 4 DRYWALL SCREW

- Sharp point allows for quick and easy penetration
- Drill point allows for easy penetration
- Fine & coarse threads provide a strong hold
- Ideal for fixing plasterboard to wooden or steel partitioning
- Phosphated or zinc plated finishes available
- Available with a bugle, wafer or pan head

### 5 PLASTIC WALL PLUG

- All purpose cost effective fixings for light and medium applications
- Manufactured to British standard lengths for the professional tradesperson
- Soft and pliable for cold site use (made with premium ADPE)
- The perfect anchor for use in solid brick
